

**Terms and Conditions
of the membership in the "Good Friends 4U"
foundation**

(Attachment 1)

The Expat-club "Good Friends 4U" (sometimes called "Community" in this document) is founded and operated by the "Good Friends 4U" charity foundation. To become the member of the Expat-club (community) you have to become the member of the "Good Friends 4U" foundation.

"Good Friends 4U" foundation has following priorities:

- We help expats and Swiss find friends and new useful contacts through common activities
- We provide a platform for regular meetings for people with different interests and backgrounds
- We support small businesses, startups and artists

The official Facebook group of our community is Good Friends in Zurich (<https://www.facebook.com/groups/zurich.friends>); the official Meetup group of our community is Good Meetups in Zurich (www.meetup.com/de-DE/good-friends-in-zurich). All our events will be announced and promoted there.

Opening hours of our foundation may vary depending on certain events. Please always see the timetable for an upcoming month.

Our primary location is Office LAB Rieterpark (Rieterstrasse 6, 8002, Zürich). Certain events will be taking place in other locations (this will be announced previously in the upcoming calendars).

The official languages of the community and the foundation "Good Friends 4U" are English and German. All documentation is carried out in English.

The calendar of events for the upcoming month will be sent to all members in the form of a newsletter 3 (three) calendar days before the beginning of the month. This calendar can also be seen on our homepage, <http://good-friends.org>.

Due to limited space, to participate in any event, you will have to sign up for it upfront. Participants who didn't sign up will not get admission to the event.

Mutual respect is important! If you've signed up for an event and your plans have changed, please take time to sign off. Those who don't show up to an event and don't sign off more than 3 (three) times will be expelled from the foundation. The membership fee will not be reimbursed.

Each member of the foundation can host one event for free every 12 (twelve) months. However, this event has to be of general interest and not pointed at a very limited group of people (for example, only one nationality or a small professional group). Network marketing events are not supported by the club. If you have an idea or proposal, address our admins, and they will help you find the optimal format and the timeframe. Each event is subject to the

availability of free spots in our calendar; hence, we advise you to inquire well in advance. We support events by offering hosts free space and equipment, by doing administrative work and by providing marketing. The event should not include any charges for club members.

If your event is too specific and not suitable for our foundation's format, we can help you arrange an external event with our partner Office LAB.

Once your event is confirmed and set, it is considered binding. You're obliged to host your event as agreed with our team. In case of failure to do so (cancellation, no-show of the organiser, rescheduling less than 15 days in advance), no other event with you will be organised, and you will be expelled from the foundation without permission to rejoin at a later point. Your membership payment will not be reimbursed.

To get access to all our events, the person has to join the "Good Friends 4U" foundation and pay the membership fee of CHF 240 for a year. This amount can be reduced on special occasions and promotional days by the charity board's decision.

The entrance to non-paid (free) events is the subject of a face-control principle. Representatives of the club's administration have the right to decline the participation of any person based on that person's behaviour.

Unauthorised photography during our events is strictly prohibited. By visiting our events, the photographer automatically accepts our Terms and Conditions. All photos taken during our events grant "Good Friends 4U" the right to use them for marketing purposes, whether it was separately bespoken with the photographer or not.

The members are not entitled to revise the accounting, financial information or official documents of the foundation. The administration of the foundation reserves the right to decline your membership application.

We don't tolerate gender, political, national, racial, sexual, religious, or other kinds of arguments. If, for any reason, there are any conflicts, all involved parties will be expelled from the community and from the "Good Friends 4U" foundation. The same applies for a case of disrespectful behaviour towards the administration team of the foundation or other members. The membership fee will not be reimbursed.

The person is entitled to become a member of the "Good Friends 4U" foundation for a duration of 1 (one) month in return for social engagement. Membership for the next calendar month will be provided after the person has supported at least three events as a volunteer (organisational and administrative help, assistance with the preparation of the event space, cleaning etc.).

One of our priorities is the socialisation and support of refugees. Hence, 50 (fifty) membership spots will be given to people with refugee status free of charge.

During the year, there will be a certain number of non-format events and big feasts that will require additional resources for its organisation; in this case, a separate fee will be set and announced well beforehand.

All members of the foundation can participate in giveaways to win tickets and prizes from our sponsors. Such giveaways will be announced beforehand via newsletter. Participation in giveaways is free of charge.
